

# New Dimensional Wall Decor

Work with our design staff to create a custom piece of art for your space. Our creative process allows you to select from our image library and combine your imagination with beautifully varied materials—metal, glass, wood, and canvas all at your disposal.

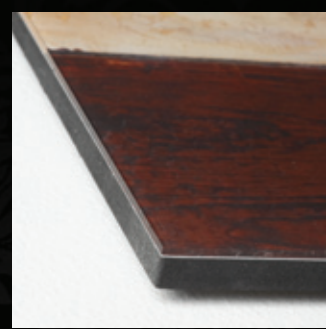

1. Select the perfect image
2. Choose any material
3. Design the art piece
4. Install custom artwork

Gango Editions supplies the image — you design a unique piece of art. Use our image library and production facilities to create objects to furnish any space.
